

2nd Announcement

29th Annual PAASE Meeting and Symposium

Ateneo de Manila University
Loyola Heights, Quezon City, Philippines
July 13–15, 2009

We are pleased to announce the organization of the 29th Annual PAASE Meeting & Symposium (29APAMS) which will be held at the Ateneo de Manila University, Loyola Heights, Quezon City, July 13-15, 2009. The theme for 29APAMS is:

Linking Science & Engineering to Development

29APAMS aims to promote greater participation of researchers with the priority areas of the Philippines, and closer collaboration among researchers both within the country and outside.

29APAMS will feature: Technical presentations on focused R&D areas, Sessions on Nanotechnology for the Philippines, Contributed oral and poster papers on open topics, and Sessions with industry.
